

PRCL Cluster #prcluster

The purpose of the PRCL Cluster is to create connections, foster mentorship and increase social interactions among teams in the Pacific Rim Curling League. Your team and one other PRCL team are paired together to form a cluster (**#prcluster**). Get to know your other cluster team and cheer each other on as you progress through the season. Share a pitcher or two in the Last Draw Lounge. Share strategy tips and learn more about the game. You will remain in the same cluster for the full season.

Cluster Lustre

Add some lustre to your cluster by earning cluster points from October 3 to March 26. The cluster that musters the most lustre by the end of the season will win the **#prcluster** crown.

To earn cluster points, simply post photos of your cluster activities to Instagram, Twitter or Facebook. Tag your posts with **#prcluster**.

To qualify as a cluster activity, at least two members of each original team must be actively participating, and must be visible in the posted photo. Below are just some examples of cluster activities. Feel free to add your own. Play all 16 “stones” to maximize your cluster lustre.

RED STONES

Cheer on the other team in your cluster.

Share snacks in the Last Draw Lounge.

Practice curling together.

Watch a TV curling game together.

Play a board game or cards.

Go to the beach or park.

Take a hike or bike ride.

Brunch!

Red “stones” earn
1 point each
(max 8 points)

YELLOW STONES
